

# PLANNED PARENTHOOD'S LOW STANDARDS

According to a 2018 report by the Missouri Department of Health and Human Services, a Columbia Planned Parenthood was found to have rusted suction machine housing and black mold on reusable tubing.

From 2011-2015, three inspections in a row found that the Allentown Planned Parenthood in Pennsylvania had continued violations of 1) failure to follow infection control procedures 2) expired medications and supplies 3) untrained staff and 4) failure to maintain essential equipment.

In 2012, Tonya Reaves bled to death at a Chicago Planned Parenthood following a botched abortion. Her abortion began at 11:00am and 911 wasn't called until 4:30pm.

The Planned Parenthood in Mobile, Alabama failed to report the sexual abuse of a 14-year-old girl who had two children and came in for two separate abortions.

**THIS IS HAPPENING ACROSS AMERICA**
